

[Maine Credit Unions' Campaign for Ending Hunger](#) has partnered with [CLYNK to Give](#) to expand its fundraising efforts. We hope your credit union will help us.

## WHAT IS CLYNK TO GIVE

CLYNK to Give is a year-round bottle collection drive that allows participants to support their favorite charities by donating the proceeds of their CLYNK rebate to a charity of choice—in this case, the Campaign for Ending Hunger.

## HOW TO PARTICIPATE

If you would like to collect bottles at your credit union and participate in this fundraising effort, please contact Lauren Simonds, the League's Director of Communications & Social Impact, at [lsimonds@mainecul.org](mailto:lsimonds@mainecul.org).

It is important to **ONLY** use the bags and bag tags the Campaign for Ending Hunger provides to ensure the donation is accepted and directed to the Campaign.

Returning a bag is quick and easy. Once a bag is full, bring it to any Hannaford location with a CLYNK kiosk. Scan your tag, drop, and go!

## DOLLARS RAISED

Dollars raised through this effort will support the Campaign for Ending Hunger's General Fund. Contributions to this fund are used to support **statewide efforts** and grants to organizations like Good Shepherd Food Bank and Full Plates Full Potential.

## ALREADY CLYNKING?

If your credit union already has a CLYNK account, you can easily donate your funds to the Campaign for Ending Hunger. Visit the **DONATIONS** tab on CLYNK's website and select our charity to have your funds transferred to the Campaign's account. Members can donate this way, as well!

## QUESTIONS

We hope your credit union will join us and recycle your bottles to benefit the Campaign. Please email [Lauren Simonds](mailto:Lauren Simonds) if you have questions about participating in this program.
